PHILLIP JANG

Seattle, WA | philjang.pr@gmail.com | (425)345-5813 | [LinkedIn](#) | [Github](#)

Software developer with a cerebral mindset and natural curiosity. I value user-focused solutions that supplement the human experience and quality of life. With experience in the healthcare and service industries, I believe in utilizing the balance between diversity of thought and methodical analytics to pursue efficient, sustainable progress.

SKILLS

- Languages and Extensions: Javascript, HTML/CSS, EJS, SQL, JSX
- Frameworks, Libraries, Runtime Environments: Express, Node, Bootstrap, React
- Version Control and Workflow Management: Git, Github, NPM
- Database and Backend Technologies: Node, PostgreSQL, Sequelize

EXPERIENCE
